

EXT. Store Building - DAY- 2:30PM

Two college students were finishing up their work shifts and clocked out from their job. Now there are outside talking about the a big, upcoming test being in two days.

NATE

This is really going to be tough because i haven't even studied for the test since early last week.

Alice

Yeah! i agree with you on that! i looked at the test preparation a few days ago and some of the material i didn't understand.

nate

Same here. i don't understand it myself.

(Does a heavy sigh)

Of course, we also got to study for another quiz from that other class, but i'm worried about that. It seem simple and straightforward with the study guide.

alice

Yeah you're right. i doubt the quiz will even be any hard to do since the study guide will help.

(Changes her mind)

On the other hand, there is something we need to figure out for the big test in two days.

nate

Right, are you free to study later at the library? i am going to start after i get some food and water on the way.

alice

i will be there. i have to get my backpack and books from my place.

nate

i will see you then. Bye.

alice

All right then, see ya later.

(hugs Nate and he hugs back)

Nate and Alice go their separate ways. Alice walked up to the front of the building to her apartment place. Nate went to one of his usually food spots to get a combo meal. Alice walked in the building and used the elevator, walked out and entered her room.

Inside, Alice said hey to her roommate, while picking her up backpack and other items and her roommate responded.

Sarah

Hey Alice! How was your work shift today? You going to class?

alice

Yeah, work was a little tough today, but i got through it. And i am going to study for a test with Nate at the library.

Sarah smiles at Alice and says something about Nate

sarah

ooo!!! Nate!? Isn't he the guy that you work with and has the same class with you?

Alice nods and answers Sarah back in a witty remark.

alice

Yeah, he is quite the guy and he is very nice, smart and funny. Moreover, are you going to work today?

sarah

Yeah, i have work today, but first i want to heat up some food from yesterday before i go.

(Smiles)

And Nate sounds like a great guy and you seem to like him from what you tell me. haha.

Alice blushes a little and answers nervously to Sarah's remark about Nate.

alice
Uh. yeah. he is great, but i'm
not sure if i like him like that.
haha.

(Speaks up firmly)
Besides, we have a test to study
for in two days, so i won't worry
about it until after the test is
taken.

Sarah nodded and understood what Alice was saying and
decided to say a smart wit comment before she left
to the kitchen.

sarah
Well, if what you are saying is
true then, he is a friend, right?
Not lovers?

(laughs very loud at Alice)

alice
(Responds in angry to Sarah)
What do you mean by that!!? i said
i will bring it up until the test
is taken, Sarah!

Sarah responds with another smart comment

sarah
Woah Alice, don't get mad at me
because this might be a good chance
to bring up with him when you two
talk.

(Winks at Alice and giggles)

Alice
(Instant Angry as she turns red hot at Sarah yelling
at her)
i said stop bringing it up!!!
You are only speculating based
on what i said without meeting
him!! So how about you be quiet
before you have a face full of
food from your plate!!

(Slams the table)

Sarah was a little shocked at Alice's words but calm
down and said she was sorry.

sarah
Okay, okay i am sorry Alice. Calm
down a little bit before you leave.

Alice calms down and has glass of cold water before
talking calm to Sarah.

alice
No worries, no worries at all.
Oh by the way, next time we see
each other, i will give you textbook
for your next semester class.

sarah
Okay, i will look forward to it.

alice
See ya later Sarah.

(hugs Sarah and leaves to go meet Nate)

Later in the day, Nate and Alice meet on the top floor
area of the library at a big table.

nate
Hey Alice, i see you bought this
the test prep items for us to go
over.

alice
Ah yes, i actually bought extra
textbooks to use for the test,
so we can study other items as
well.

nate
Good stuff. i was also thinking
of going over the textbooks and
taking notes from here.

alice
Nice! In that case, we can get
started and split up the sections
for us to work faster and effectively!

nate
Right! That sounds great! i will
get started right now and write
down any notes i find on the test
prep materials.

alice
All right, thanks!

nate
You're welcome!

Nate and Alice did some studying for a while until one of Nate's friend showed up and talked to Nate.

nate
Hey Jimmy, how's it going?

jimmy
i am doing all right, i have been studying for a little bit earlier and finished working out.

nate
That's great Jimmy! And next time you go to the gym, let me know.

jimmy
Yeah Nate, i will let you know when i go next time.

(looks at Alice)
Hey, how are you doing and what is your name?

alice
i am doing well and my name is Alice.

jimmy
Oh nice to meet you. i am Jimmy and Nate's friend.

alice
Yeah. Nice to meet you!

Jimmy nods and says bye to Nate and Alice and leaves the library. Afterwards, Alice and Nate finish studying at the library and head outside.

nate
So, i will see you tomorrow again at the library to finish studying for the test?

alice
Yeah, i might be a little late because i got to work, but i will be there!

nate
Sounds great! See ya later, Alice.

(hugs Alice)
alice
See ya later too, Nate.

(Hugs Nate)

..

Nate and Alice both left the library and went home to prepare for the next day.
